Past Performance

This chart shows the funds performance as the percentage loss or gain per year over the last 1 year against its benchmark. It can help you to assess how the fund has been managed in the past and compare it to its benchmark.

Inception date: 2023-11-22.

Performance data has been calculated in EUR.

Past performance is not a reliable indicator of future performance. Markets could develop very differently in the future. It can help you to assess how the fund has been managed in the past.

Performance is shown after deduction of ongoing charges. Any entry and exit charges are excluded from the calculation.
