## Past Performance

This chart shows the funds performance as the percentage loss or gain per year over the last 7 years against its benchmark. It can help you to assess how the fund has been managed in the past and compare it to its benchmark.

Inception date: 2017-07-19.

Performance data has been calculated in EUR.

**Past performance is not a reliable indicator of future performance. Markets could develop very differently in the future. It can help you to assess how the fund has been managed in the past.**

Performance is shown after deduction of ongoing charges. Any entry and exit charges are excluded from the calculation.
